

**National
Multiple Sclerosis
Society**
Maryland Chapter

STUDIO23,

On behalf of The National MS Society, Maryland Chapter, thank you very much for your support of the 2009 Chesapeake Challenge. We sincerely appreciate your commitment of our mission to end the devastating effects of Multiple Sclerosis.

With close to 1,000 cyclists, walkers and volunteers, the 1st ever Chesapeake Challenge was certainly a success! The great weather and support from the local communities were certainly helped to ensure the success of this fundraiser. We are hopeful that we will reach our goal of raising \$650,000. *You* are vital in making this a reality.

I hope you take pride in the knowledge that your spirit, efforts and enthusiasm as a DJ really made our participants happy. Your donation of DJ services enables us to keep our event expenses low so that more of the dollars raised can be allocated for MS research around the world, as well as for local programs and services for the 6,500 people in Maryland living with MS.

We mobilize people and resources to drive research for a cure and to address the challenges of everyone affected by MS. Events like the Chesapeake Challenge enable the National MS Society, Maryland Chapter to continue to make strides towards our mission of ending the devastating disease of MS by generating funds for local programs & services and ongoing research.

In the realities of today's economic world your positive attitude and commitment of helping us do not go unnoticed! Thank you again for making the National MS Society a priority and for helping to change tomorrow for people living with Multiple Sclerosis. It is greatly appreciated!

All the best,

Shawn Slotke
Team MS and Sponsorship Manager
